

DO YOU KNOW YOUR IDENTITY?

Too many teams, ministries, and organizations fail to recognize their unique design because **they don't take the time to deeply understand their own core strengths, values, and the specific problems they were created to solve**

Vision Framing walks ministries through a collaborative process to articulate their unique Mission, Values, Strategy, and Outcomes.

A SABA staff member (Vision Framing Certified® Strategist) serves to catalyze a culture-shaping identity that fuels decisions and guides future direction.
