

IS YOUR CHURCH

in need of Renewal?

**MOST OF US WOULD SAY 'NO' BUT
CONSIDER THESE QUESTIONS . . .**

- When was the last time your church baptized a new believer?
- Has your church experienced significant numerical decline in recent years?
- Is the number of people in active discipleship groups growing?
- How known is your church to the community?
- Are new members rare?
- Does your church look back to the 'good ole days'?
- What is your church's stated purpose?
How are you fulfilling your purpose?
