Designing the Life That God Dreamed for You

Have you ever identified your specific calling in a way that brings life-changing clarity?

Unfortunately most people haven't.

Your divine design --God's design for your life-- is more knowable than you might realize.

You are God's workmanship created in Christ Jesus to do good works, which he has prepared in advance, that you should walk in them.

Ephesians 2:10

You can and should know your Life Younique --your God-given identity and your God-inspired dreams. With the right tools, you can discover your life vision and align your life vocation.
