

DO YOU KNOW YOUR DIRECTION?

Too many teams, ministries, and organizations fail to recognize their unique design because **they don't take the time to deeply understand their future and where they are going**

The **Vision Planning** process shapes every next step toward God's better future in the form of short- and long-term horizons.

A SABA staff member (Vision Planning Certified® Strategist) guides ministry leaders toward focused dreams and strategic initiatives to energize disciple-making in every ministry and member.
